WEST VIRGINIA BULLETIN NO: WV360-8-10

SUBJECT: PER-Nomination requests for Design Team Members for Introduction to Photographic Interpretation.

Purpose: To request nominations to serve on a National Geospatial Development Center (NGDC) design team to assist with development of an online course, "Introduction to Image Interpretation"

Expiration Date: September 30, 2008

ACTION REQUIRED BY: June 9, 2008

In accordance with [NB360-8-40](#) the NGDC is soliciting nominations for subject matter experts to participate in developing an online course entitled "Introduction to Image Interpretation." The requested disciplines include Engineering, Soil Science, Soil Conservation, and Range/Pasture Conservation.

The time commitment includes one week of travel to attend a design team meeting followed by approximately two days per month to review the vendor-produced deliverables. The project is expected to take approximately one year to complete. NGDC will pay for all approved costs for the project, including travel to the design team meeting.

If you are interested, please prepare a resume and a one paragraph narrative describing the reasons for wishing to participate and forward through your supervisor to your appropriate Management Team Member (MTM). The MTM will review and forward all approved requests to Louis Aspey, ASTC-O by COB June 9, 2008.

If you have any questions or need additional information, please contact Stephen Carpenter, SSS at (304) 284-7585.
